Request for Administrative Approval of Non-Standard Location**

Dear Mr. Lowe,

Pursuant to Division Rules 19.15.16.15(C)(6) and 19.15.15.13(C)-(D) NMAC and the applicable rules governing the acreage and well location requirements for the WC-025 G-08 S263412K; Bone Spring Pool (Pool Code 96672), Titus Oil & Gas Production, LLC ("Titus") requests administrative approval of a non-standard location for the above-referenced well, as described more fully below.

Standard setback for the first take point of a horizontal oil well is 100 feet from the outer boundary of the spacing unit. The above-referenced well, however, will be 10 feet from the northern boundary of the spacing unit. The affected tract will be the SE/4 SE/4 of Sec. 20, T26S-R35E, Lea Co., NM. Titus is requesting approval to decrease the setback for the first take point of the above-referenced well as indicated below.

The proposed surface and bottom hole locations and first and last take points are as follows:

1. SHL: 558' FSL and 680' FEL of Section 20, T26S-R35E
2. FTP: 10' FNL and 1230' FEL of Section 29, T26S-R35E
3. LTP: 100' FSL and 1230' FEL of Section 32, T26S-R35E
4. BHL: 0' FSL and 1230' FEL of Section 32, T26S-R35E

Mr. Lowe

It is Titus' responsibility as a prudent operator to maximize the recovery of oil and gas reserves left in the ground. Approval of the unorthodox, completed interval will allow Titus to use its preferred well spacing plan for horizontal wells in this area and thereby maximize recovery and prevent waste.

Attached is the draft C-102 form and plat to assist the Division in its review of Titus's requests. Titus has sent notice to all affected persons on the enclosed spreadsheet by certified mail, return receipt requested, with a copy of this request, the plat, and the draft C-102. The notice also informs the affected persons that, if they object to the aforementioned requests, they must file the objection in writing with the Division within 20 days from the date the Division receives this administrative approval request. I attach a sample of the notice letter and a spreadsheet with the types of interests and names of the affected parties, the location of each parties' interest, the date the letter was sent, and the mail tracking number for the mailings that went out today.

Please let me know if you have any questions or concerns. Thank you for your assistance in this matter.

Very truly yours,
