Good morning Dean,

I have received a note from my team that we are going to change the scope of the recomplete to include the PC on the well listed above. Can you please reject the C-107A Packet, id 111650? Once we have the new NOI filed and approved, we will refile the DHC packet at that time. But for now, there is no need for you to review the Fruitland Coal only.

Thank you!
