**Re: Dagger State Com 516H (API 30-025-48899)
Unit L, Section 30-T21S-R33E
Lea County, New Mexico**

Dear Mr. Lowe,

Advance Energy Partners Hat Mesa, LLC (OGRID No. 372417) request administrative approval for a nonstandard location (NSL) for the proposed Dagger State Com 516H (30-025-48899), located in a 240-acre horizontal spacing unit in the W2NW of Section 30 and W2W2 of Section 19, Township 21 South, Range 33 East, Lea County, New Mexico.

The proposed surface and bottom hole locations and first and last take points are as follows:

- The surface location is located 2,620 feet from the south line and 800 feet from the west line (Unit L) of Section 30,
- The bottom hole location is located 100 feet from the north line and 1,210 feet from the west line (Unit D) of Section 19
- The first take point is located 2,540 feet from the north line and 1,210 feet from the west line (Unit E) of Section 30,
- The last take point is located 100 feet from the north line and 1,210 feet from the west line (Unit D) of Section 19.

The Dagger State Com 516H (30-025-48899) is an oil well located in WC-025 G-06 S213326D; Bone Spring pool [97929].

Since this acreage is governed by the Division's statewide rules, the completed interval for this well will be unorthodox because the first take point is closer than the standard offsets to the eastern boundary of the spacing unit and encroaches on the E2NW of Section 30 and E2W2 of Section 19, Township 21 South, Range 33 East, Lea County, New Mexico. Approval of the NSL will allow Advance to use its preferred well spacing for horizontal wells in this area and thereby maximize recovery and prevent waste.

Exhibit A is a Form C-102 showing the completed interval of the Dagger State Com 516H well which encroaches on the spacing unit/tracts to the east in the E2NW of Section 30 and E2W2 of Section 19.

Exhibit B is a plat for Sections 30 and 19 that shows the Dagger State Com 516H well in relation to the adjoining spacing unit/tracts to the east. As shown on the plat, the affected spacing unit to the east is
