Ladies and Gentlemen:

This letter is to advise you that WPX Energy Production, LLC has filed the enclosed application with the New Mexico Oil Conservation Division and requested that this matter be scheduled for hearing before an Examiner on May 14, 2015 at 8:15 a.m.. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an affected Indian Allottee Mineral Interest Owner within the proposed Unit, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date before the Division.

Parties desiring to appear in this case are required by Division Rule 19.15.4.13 NMAC to file a pre-hearing statement on or before 5 p.m. on the Thursday preceding the scheduled hearing date. The prehearing statement must be filed at the Division's Santa Fe office at the above specified address and an additional copy provided to my office. The pre-hearing statement must include: the names of the party and its attorneys; a concise statement of the party's position in the matter; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

If you have any questions about this matter, please contact: Mike Finney at Finney Land Company (Representative of Chuck Bassett) at (970) 403-8449 or [Chuck.Bassett@wpx.com](mailto:Chuck.Bassett@wpx.com).
