Well Notification
Osage Boyd 15
Section 15, T19S-R25E
Eddy County, New Mexico

Dear Interest Owner:

SEP Permian LLC ("SEP"), an affiliate of Spur Energy Partners LLC, and as successor in interest to Percussion Petroleum Operating, LLC, hereby provides notice of its intention to drill, complete and produce the Osage Boyd 15 wells (the "Subject Wells"), all described in Exhibit "A", to a vertical depth sufficient to test the Yeso formation in the Section 15, Township 19 South, Range 25 East (the "Lands").

Under the existing terms and conditions of the leases your non-cost bearing interest is subject to, the authority to pool the underlying acreage is not provided. SEP, in its judgment as operator, proposes to pool, unitize, communitize or combine certain oil, gas and mineral leases (the "Leases"), all described in Exhibit "B", in order to properly develop and produce oil and gas from the Lands.

The proposed pooled unit area includes the Leases but only as to oil, gas, and associated hydrocarbons produced from the Yeso formation from a horizontal well or wells located W/2 of Section 15, Township 19 South, Range 25 East in Eddy County, New Mexico containing 320 acres, more or less (the "Pooled Unit"). A "horizontal well" shall be defined as a directional well bore with one or more laterals that extend a minimum of one hundred feet (100') horizontally in the target zone. Upon completion, production from the Pooled Unit shall be allocated proportionately among all the tracts within the Pooled Unit in the proportion which the number of surface acres in each tract bears to the total number of surface acres in the Pooled Unit.

As stated above, SEP finds it necessary to pool the Leases in order to appropriately and prudently develop the Lands and hereby requests your consent and ratification of the proposed Pooled Unit.

Please indicate your acknowledgement in the space provided below, and if you should have any questions or concerns please feel free to contact Nash Bell at 832-930-8582 or via email at nash@spurepllc.com. Your prompt attention to this matter is greatly appreciated.

With kinds regards,

A handwritten signature in blue ink, appearing to read "Nash Bell", is written over the typed name.
