2 EXAMINER GOETZE: Good morning. Today is  
3 Thursday, September 19th, 2019. This is the examiner  
4 hearing, Docket Number 35-19. We are in Porter Hall.  
5 The first item of the day will be going through the  
6 changes of the docket.

7 And at this point, I would say I'm Phillip  
8 Goetze. I'm one of your examiners. To my left, your  
9 right is Kathleen Murphy, who is also an examiner, and  
10 the next person down is Dana David, who will be legal  
11 counsel.

12 At this point I'll turn it over to Examiner  
13 Murphy.

14 EXAMINER MURPHY: The OCD has a new  
15 employee we'd like to recognize, Ramona Vargas. And she  
16 comes to us from the State Land Office, and she is  
17 working in the Environmental Bureau. And right now  
18 she's trying to catch up on the C-141s, a valiant  
19 effort.

20 Thank you (indicating).

21 And we're quite honored to have her working  
22 here, and we just wanted to make you aware of some of  
23 our recent additions and share in our extreme joy.

24 (Laughter.)

25 EXAMINER MURPHY: Another announcement

1 is -- and because sometimes there are new legal present  
2 [sic] -- when you have exhibits, please send a PDF to me  
3 in the next day or so. And my email is  
4 kathleena.murphy. It's state.nm.us.

5 And I also have a request for the  
6 consultants who prepare the SWDs to please submit a  
7 lat/longitude in decimal degrees net [sic] 83. I'm  
8 still having to email consultants for that important bit  
9 of information. And I will hope that you pass that on  
10 to your consultants or if some of the consultants are  
11 here.

12 And I'm going to read through the docket  
13 and list the continuances, dismissals and what will be  
14 heard today. We will absolutely try to make the docket  
15 a little larger print, per a request, but please read
