I N D E X

CASE NO. 20951 CALLED

SUMMARY OF CASE 03

TAKEN UNDER ADVISEMENT: 06

REPORTER CERTIFICATE 07

E X H I B I T I N D E X

Admitted

A and B (All attachments) 06

1 HEARING EXAMINER COSS: At this point, 20951,
2 Franklin Mountain Energy for compulsory pooling.

3 Mr. AMES: Ms. Bennett, will this case be
4 consolidated with 20953, which is also the County Fair well
5 family?

6 MS. BENNETT: Actually what I have done here, Mr.
7 Examiners, is I have consolidated 20952 and 20953 as those
8 are both Wolfcamp cases. And I have prepared separate
9 materials for Case Number 20951, which is a Bone Spring
10 case.

11 With the Examiners' permission, my name is Deana
12 Bennett, on behalf of Franklin Mountain Energy LLC and I
13 intend to present case Number 20951 by affidavit.

14 HEARING EXAMINER COSS: You may proceed.

15 MS. BENNETT: Thank you.

16 HEARING EXAMINER COSS: And there is no other
17 entries in this case?

18 (No response.)

19 MS. BENNETT: In case Number 20051, Franklin
20 Mountain Energy is -- this is a compulsory pooling case.
21 And Franklin Mountain Energy is seeking to compulsory pool
22 parties into the County Fair Fed Com 602H Well, which is a
23 Bone Spring well.

24 In this particular case -- well, all three cases
25 that I'm going to present today cover the W/2 of Sections 2

1 and 11, Township 25 South, Range 35 East, Lea County, New
2 Mexico.

3 This particular spacing unit is, for the Bone
4 Spring well, is the entire W/2. The County Fair Fed Com
5 602H Well, as you will see in the materials, is -- falls
6 within the proximity tract rule which is what authorizes
7 Franklin Mountain Energy to seek a 360 acre spacing unit.

8 The notice materials here are behind Tab 6. That
9 includes an affidavit signed by me, a copy of the notice
10 letter that we provided to the parties entitled to notice of
11 this hearing. It also includes the status of mailing, as
12 well as an affidavit of publication.

13 I do want to just point out, I think it's my duty
14 to point out that the newspaper was not able to publish my
15 notice of affidavit of publication ten business days in
16 advance of today's hearing, although I provided it to them
17 approximately 15 days, 15 business days in advance of the
18 hearing.

19 The newspaper was only able to publish the notice
20 of hearing on December 1, which is a Sunday, which is nine
21 days before today. Otherwise, though, we sent letters to
22 everyone for whom we had good addresses. Some of those
23 letters were returned, but we did send letters to everyone
24 for whom we had addresses. And I did publish with the
25 exception of the newspaper being unable to timely publish.

1 I would also point out that in my -- in other
2 packets that you have seen from me, we have an actual PDF
3 from the newspaper. In this particular instance we weren't
4 able to get a mailed copy of the PDF. Even as of last night
5 we were still trying to get a copy of the PDF from the
6 newspaper, and all they were able to do was e-mail us a
7 copy, rather than mail us a copy. They will be mailing us
8 the hard copy, but what I have reproduced for you in the
9 materials is the e-mailed copy that the newspaper sent to
10 us.

11 So we did undertake diligent efforts for the past
12 three days trying to get the newspaper to mail us copies of
13 the affidavit of publication, but we simply were unable to
14 get that from the newspaper.

15 HEARING EXAMINER COSS: Okay.

16 MS. BENNETT: At this time I would ask that the
17 exhibits -- again, this packet that I placed before you has
18 exhibits from the landman and from the geologist, and at
19 this time I would ask that Exhibit A and B and their
20 attachments in Case Number 20951 be admitted into the record
21 for Case Number 20951.

22 HEARING EXAMINER COSS: Wonderful. With that we
23 will take Case Number 20951, but further evaluate the notice
24 issue and determine how to proceed at that point, but will
25 it will be taken under advisement.

1 MS. BENNETT: Thank you. And the exhibits are
2 are admitted into the record?

3 HEARING EXAMINER COSS: They are admitted into
4 the record.

5 (Exhibits A and B admitted.)

6 (Case 20951 taken under advisement. Adjourned.)
