COMPANY FOR COMPULSORY POOLING,

Case No. 20966

UNOPPOSED MOTION TO CHANGE CONTINUANCE DATE

Kaiser-Francis Oil Company ("KFOC") moves the Division for a change in the continuance date for the hearing this case, and in support thereof, states:

1. This case was originally set for the December 12, 2019 examiner docket. Due to counter-applications filed by COG Operating LLC ("COG"), KFOC continued this case to the February 20, 2020 docket.
2. COG has now dismissed its counter-applications.
3. KFOC has drilled (but not completed) offsetting wells, and desires to drill the wells named in the above application as soon as possible so that all wells may be completed at the same time to avoid any adverse effects of "parent-child" well relationships.
4. KFOC requests that the hearing date be moved up to the January 23, 2020 docket, at which time the case will be presented by affidavit.
5. Other counsel do not object to the changer of hearing date or presentation of the case by affidavit.

WHEREFORE, KFOC requests that the continuance date for this case be changed from the February 20, 2020 docket to the January 23, 2020 docket.

Respectfully submitted,
