BEFORE THE NEW MEXICO OIL CONSERVATION DIVISION

APPL	ICATION	OF M	EWBOU	JRNE	OIL (COMPA	VY
FOR	COMPULS	SORY	POOLI	NG, LE	CA CO	OUNTY,	
NEW	MEXICO.						

Case No.	

APPLICATION

Mewbourne Oil Company applies for an order pooling all mineral interests in the Wolfcamp formation underlying a horizontal spacing unit comprised of the W½E½ of Section 29 and the W½E½ of Section 20, Township 19 South, Range 35 East, N.M.P.M., Lea County, New Mexico, and in support thereof, states:

- 1. Applicant is an interest owner in the W½E½ of Section 29 and the W½E½ of Section 20, and has the right to drill a well thereon.
- 2. Applicant proposes to drill the Hereford 29/20 W1OB Fed. Com. Well No. 1H to a depth sufficient to test the Wolfcamp formation, with a first take point in the SW1/4SE1/4 of Section 29 and a last take point in the NW1/4NE1/4 of Section 20.
- 3. Applicant has in good faith sought to obtain the voluntary joinder of all other mineral interest owners in the $W^{1/2}E^{1/2}$ of Section 29 and the $W^{1/2}E^{1/2}$ of Section 20 for the purposes set forth herein.
- 4. Although applicant attempted to obtain voluntary agreements from all mineral interest owners to participate in the drilling of the well or to otherwise commit their interests to the well, certain interest owners have failed or refused to join in dedicating their interests. Therefore, applicant seeks an order pooling all mineral interest owners in the Wolfcamp formation underlying the W½E½ of Section 29 and the W½E½ of Section 20, pursuant to NMSA 1978 §70-2-17.

5. The pooling of all mineral interests in the Wolfcamp formation underlying the $W\frac{1}{2}E\frac{1}{2}$ of Section 29 and the $W\frac{1}{2}E\frac{1}{2}$ of Section 20 will prevent the drilling of unnecessary wells, prevent waste, and protect correlative rights.

WHEREFORE, applicant requests that, after notice and hearing, the Division enter its order:

- A. Pooling all mineral interests in the Wolfcamp formation underlying the $W\frac{1}{2}E\frac{1}{2}$ of Section 29 and the $W\frac{1}{2}E\frac{1}{2}$ of Section 20;
- B. Designating applicant as operator of the well;
- C. Considering the cost of drilling and completing the well, and allocating the cost among the well's working interest owners;
- D. Approving actual operating charges and costs charged for supervision, together with a provision adjusting the rates pursuant to the COPAS accounting procedure; and
- E. Setting a cost plus 200% charge for the risk involved in drilling and completing the well in the event a working interest owner elects not to participate in the well.

Respectfully submitted,

James Bruce
