**LUCID ENERGY DELAWARE, LLC'S  
UNOPPOSED MOTION FOR CONTINUANCE**

Applicant Lucid Energy Delaware, LLC ("Lucid") moves for a continuance of the April 23, 2020 hearing in this case to the New Mexico Oil Conservation Commission's July 16, 2020 docket. In support of this motion, Lucid states the following.

1. This case is currently scheduled to be heard on April 23, 2020.
2. Lucid has been engaging in discussions with Matador Production Company, MRC Permian Company, and EOG Resources, Inc. regarding Lucid's proposed Red Hills AGI #2 well, and a continuance would give the parties an opportunity to continue their discussions.
3. Lucid has contacted counsel for the Oil Conservation Division, Matador Production Company, MRC Permian Company, and EOG Resources, Inc. regarding this motion, and they do not oppose the requested continuance.
4. WHEREFORE, Lucid requests that the Commission (i) grant this motion, and (ii) continue the hearing in this matter to the Commission's July 16, 2020 docket.

Respectfully submitted,
