**APPLICATION OF MARATHON OIL  
PERMIAN LLC TO AMEND ORDER  
NO. R-21169, LEA COUNTY, NEW MEXICO**

**CASE NO. \_\_\_\_\_  
ORDER NO. R-21169  
(Re-Open)**

**APPLICATION**

Marathon Oil Permian LLC (“Marathon”), OGRID Number 372098, through its undersigned attorney, files this application with the Oil Conservation Division (“Division”) for the limited purpose of amending Order No. R-21169 as follows: 1) conforming Division Order No. R-21169 to the amended order template (“Amended Order Template”) described in the Letter of the Division Director dated April 9, 2020 (Re: Amendments to Compulsory Pooling Order Template); and 2) amending Order No. R-21169 to allow for an extension of time for drilling the well under the Order. In support of this application, Marathon states as follows:

1. Order No. R-21169 is one of five orders relating to Marathon’s “Ender Wiggins” well group.
2. Order No. R-21169 pooled uncommitted interest owners in a 480-acre, more or less, Wolfcamp horizontal spacing unit comprised of the E/2 of Section 11 and NE/4 of Section 14, Township 25 South, Range 34 East, NMPM, Lea County, New Mexico.
3. Order No. R-21169 designated Marathon as the operator of the well and the unit.
4. The Division Hearing for Case No. 20821 was held on October 3, 2019.

5. The Division entered Order No. R-21169 in Case No. 20821 on February 26, 2020. This order was issued under the “interim form of order” and does not conform to the Amended Order Template.

6. Marathon requests that Order No. R-21169 be re-opened to conform this order to the terms of the Amended Order Template.

7. Marathon further requests that Order No. R-21169 be re-opened and amended to allow Marathon additional time to commence drilling the well under the Order.

8. Order No. R-21169, ¶ 20 states: “The Operator shall commence drilling the initial well within one (1) year after the date of this Order; and (b) for an infill well, no later than thirty (30) days after completion of the well.”

9. The Amended Order Template contains the same obligation to commence drilling within one year, Amended Order Template, ¶19. It also states: “This Order shall terminate automatically if Operator fails to comply with Paragraph 19 unless Operator obtains an extension by amending this Order for good cause shown.” Amended Order Template, ¶ 20.

10. Good cause exists for Marathon’s request for an extension of time.

11. Marathon requests this extension because there have been changes in Marathon’s drilling schedule due to COVID-19 and current market conditions.

12. Marathon’s operations and drilling activity have been impacted by COVID-19 and oil and gas market conditions.

13. Under Order No. R-21169, Marathon would be required to commence drilling the well by February 26, 2021.

14. Marathon asks that the deadline to commence drilling the well be extended for a year from February 26, 2021 to February 26, 2022.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on January 7, 2021, and after notice and hearing as required by law, the Division:

A. Amend Order No. R-21169 to conform it to the terms of the Amended Order Template; and

B. Amend Order No. R-21169 to extend the time for Marathon to commence drilling the well under the Order for a year, through February 26, 2022.
