Case No. 21330

AMENDED, UNOPPOSED MOTION FOR A CONTINUANCE

Mewbourne Oil Company ("Mewbourne") moves the Division to continue the hearing on the above application to the Examiner hearing scheduled for February 4, 2021, and in support thereof, states:

1. This matter was set for hearing on the January 21, 2021 docket by affidavit. Although all affidavits and exhibits were ready for presentation on that date, the undersigned had neglected to file a pre-hearing statement. So, the matter was continued to the February 18, 2021.
2. Subsequently, Mewbourne informed me that a rig was coming in the first half of February to commence drilling the well which is the subject of the application. Therefore, Mewbourne requests that the above case be continued to the February 4, 2021 docket.
3. No one opposes this motion.

EHREFORE, Mewbourne requests that the hearing date be changed from February 18th to February 4th.

Respectfully submitted,
