

BEFORE THE NEW MEXICO OIL CONSERVATION DIVISION

**APPLICATION OF MEWBOURNE OIL COMPANY
TO AMEND ORDER NO. R-21487, EDDY COUNTY,
NEW MEXICO.**

Case No. _____

APPLICATION

Mewbourne Oil Company applies for an order amending Order No. R-21487, and in support thereof, states:

1. Order No. R-21487 pooled all mineral interest owners in the Bone Spring formation underlying a (proximity tract) horizontal spacing unit comprised of the S/2 of Section 9 and the S/2 of Section 10, Township 20 South, Range 29 East, N.M.P.M., Eddy County, New Mexico.

Applicant proposes to drill the Perazzi 9-10 B3MP Fed. Com. Well No. 1H to a depth sufficient to test the Bone Spring formation, and dedicate the S½ of Section 9 and the S½ of Section 10 to the well. Order No. R-21487 designates applicant as operator of the wells.

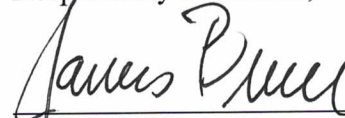

3. This matter was heard on September 24, 2020, and Order No. R-21487 was entered on October 12, 2020. Paragraph 19 of the order requires the operator to commence the well within one year of the date of issuance. Paragraph 20 of Order No. R-21487 provides that the order will terminate if the well is not timely commenced, unless the operator “obtains an extension by an amendment of this Order for good cause shown.”

4. Applicant requests an extension of the drilling deadline due to market conditions which have altered drilling schedules, and due to the coronavirus situation. Thus good cause exists for Applicant’s request for an extension.

5. Applicant requests an extension of the well commencement deadline to October 12, 2022.

WHEREFORE, applicant requests that, after notice and hearing, the Division enter its order amending Order No. R-21487 to extend the well commencement deadline to October 12, 2022.

Respectfully submitted,
