**APPLICATION OF SPUR ENERGY

POOLING, EDDY COUNTY, NEW MEXICO**

**CASE NO. 21676**

**SELF-AFFIRMED STATEMENT  
OF BLAIR BRUMMELL**

1. I am over 18 years of age and am competent to provide this Self-Affirmed Statement. I am a Senior Landman at Spur Energy Partners, LLC ("Spur") and am familiar with the land matters addressed in the above-referenced case. I have not previously testified before the New Mexico Oil Conservation Division ("Division"). I have 12 years of previous experience working all aspects of the Land profession and have worked in New Mexico the past four years. I hold a Certified Professional Landman designation from the American Association of Professional Landmen which is the highest designation offered.

2. I have reviewed Exhibits A and A-1 through A-7 submitted to the Division on May 20, 2021, which contain the land testimony and exhibits prepared by Morgan Landry. I adopt Mr. Landry's testimony and exhibits as my own.

3. In addition, I am providing an updated Exhibit A-3 to reflect the current parties Spur seeks to pool in this matter.

4. In my opinion, the granting of Spur's application would serve the interests of conservation, the protection of correlative rights, and the prevention of waste.

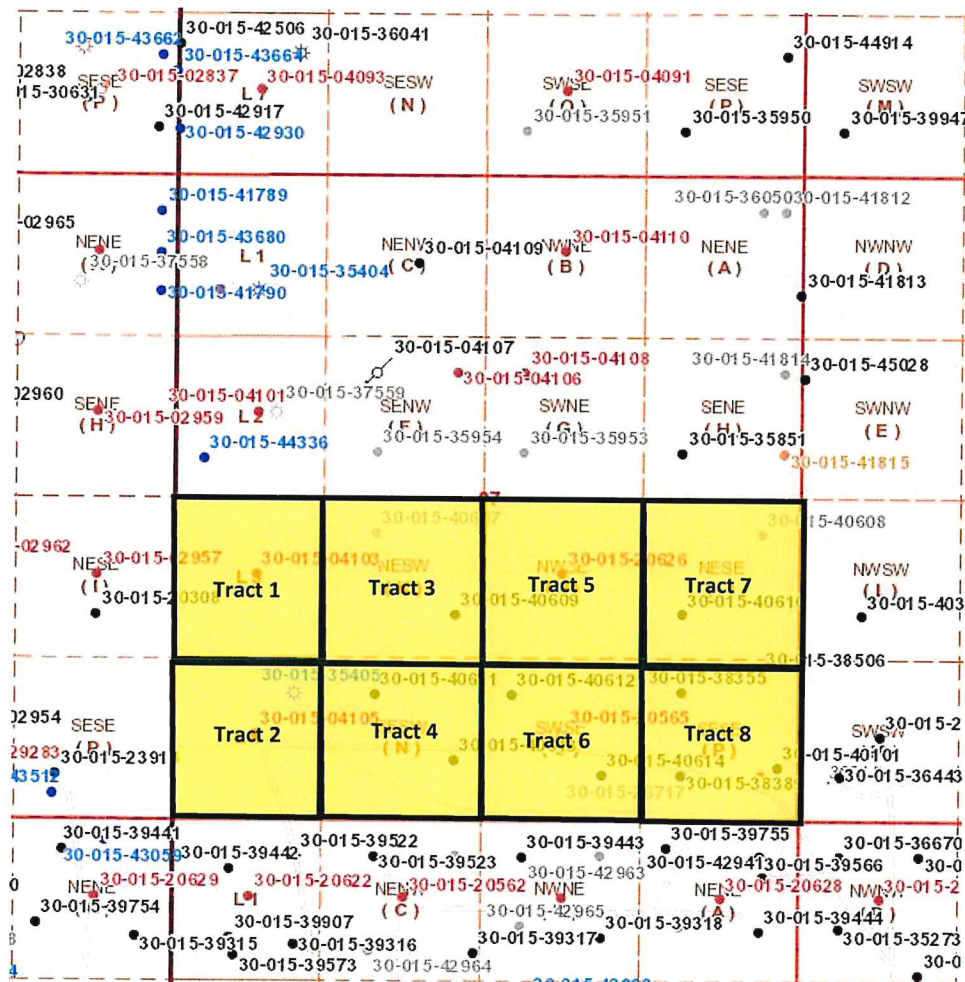

5. I understand this Self-Affirmed Statement will be used as written testimony in this case. I affirm that my testimony in paragraphs 1 through 4 above is true and correct and is made under penalty of perjury under the laws of the State of New Mexico. My testimony is made as of the date handwritten next to my signature below.
