SELF-AFFIRMED DECLARATION

Chase F. Rice hereby states and declares as follows:

1. I am over the age of 18, I am a land supervisor for Marathon Oil Permian LLC (“Marathon”) and I have personal knowledge of the matters stated herein. I have previously testified before the Oil Conservation Division (“Division”) and I have been qualified by the Division as an expert petroleum landman.

2. My area of responsibility at Marathon includes the area of Eddy County in New Mexico.

3. I am familiar with the application filed by Marathon in this case, which is attached as **Exhibit 1**.

4. I submit the following information pursuant to NMAC 19.15.4.12.A(1) in support of the above referenced application.

5. I am familiar with the status of the lands that are subject to this application.

6. The purpose of the application is to amend Order No. R-21106-A, attached as **Exhibit 2**, to allow for a one-year extension of time to commence drilling the initial well under the Order.

7. Order No. R-21106, attached as **Exhibit 3**, pooled uncommitted interest owners in a 320-acre, more or less, Bone Spring horizontal spacing unit comprised of the S/2 S/2 of Section 12, Township 23 South, Range 28 East and Section 7, Township 23 South, Range 29 East, NMPM, Eddy County, New Mexico.

8. Order No. R-21106 designated Marathon as the operator of the well and the unit.

9. This is Marathon's second request for an extension of time. On December 8, 2020, Marathon submitted an application to amend Order No. R-21106 to, among other things, allow for an extension of time for drilling the initial well under the Order.

10. On January 19, 2021, the Division entered Order No. R-21106-A which granted Marathon's request for an extension of time, through February 13, 2022. *See Exhibit 2, ¶ 9.*

11. Order No. R-21106-A ¶ 15 states: "This Order shall terminate automatically if Operator fails to comply with Paragraph [9]¹ unless Operator obtains an extension by an amendment of this Order for good cause shown."

12. Good cause exists for Marathon's request for a second extension of time.

13. As Marathon explained in its first extension request, there have been changes in Marathon's drilling schedule due to COVID-19 and current market conditions.

14. Marathon's operations and drilling activity continue to be impacted by COVID-19 and oil and gas market conditions, which continue to delay Marathon's drilling plans.

15. In addition, Marathon requires an APD from the Bureau of Land Management ("BLM"), which has been delayed, and the timing for BLM issuing the APD is uncertain.

16. Marathon is in good standing under the statewide rules and regulations.

¹ Paragraph 15 cites to Paragraph 13 of the Order; however this appears to be a relic from the form of order which does not take into account Paragraph 9 which sets a specific deadline by which Marathon must commence drilling the initial well. The correct internal cross reference should be to paragraph 9.

17. Under Order No. R-21106-A, Marathon would be required to commence drilling the initial well by February 13, 2022.

18. Marathon asks that the deadline to commence drilling the initial well be extended for a year from February 13, 2022 to February 13, 2023.

19. Marathon, through its counsel, notified all pooled working interest owners of Marathon's request to re-open Order No. R-21106-A for the purpose specified in the application. No opposition is expected because the pooled working interest owners have been contacted, and have not indicated any opposition. Proof of notification is attached as **Exhibit 4** to this Affidavit. Exhibit 4 shows the parties who were notified of this hearing, the status of whether they received notice, and an affidavit of publication from the Carlsbad Current-Argus newspaper, showing that notice of this hearing was published on September 2, 2021.

20. The attachments to this declaration were prepared by me, or compiled from company business records, or were prepared at my direction.

21. I attest under penalty of perjury under the laws of the State of New Mexico that the information provided herein is correct and complete to the best of my knowledge and belief.

22. In my opinion, the granting of this application is in the interests of conservation and the prevention of waste.

I attest under penalty of perjury under the laws of the State of New Mexico that the information provided herein is correct and complete to the best of my knowledge and belief.

In support of this application, Marathon states as follows:

1. Order No. R-21106 pooled uncommitted interest owners in a 320-acre, more or less, Bone Spring horizontal spacing unit comprised of the S/2 S/2 of Section 12, Township 23 South, Range 28 East and Section 7, Township 23 South, Range 29 East, NMPM, Eddy County, New Mexico.

2. Order No. R-21106 designated Marathon as the operator of the well and the unit.

3. The Division Hearing for Case No. 20868 was held on November 14, 2019.

4. The Division entered Order No. R-21106 in Case No. 20868 on February 13, 2020.

This order was issued under the “interim form of order” and did not conform to the Amended Order Template.

5. In December 2020, Marathon requested that Order No. R-21106 be re-opened to conform the Order to the terms of the Amended Order Template and to allow Marathon additional time to commence drilling the initial well under the Order.

6. On January 19, 2021 (in Case No. 21606), the Division entered Order No. R-21106-A, in which the Division granted Marathon's application to amend the Order to conform to the Amended Order Template and extended the period of time to commence drilling the initial well under the Order until February 13, 2022. *See* Order R-21106-A ¶ 9.

7. Order No. R-21106-A ¶ 15 states: "This Order shall terminate automatically if Operator fails to comply with Paragraph [9]¹ unless Operator obtains an extension by an amendment of this Order for good cause shown."

8. Good cause exists for Marathon's request for a second extension of time.

9. As Marathon explained in its first extension request, there have been changes in Marathon's drilling schedule due to COVID-19 and the then-existing market conditions.

10. Marathon's operations and drilling activity continue to be impacted by COVID-19 and oil and gas market conditions, which continue to delay Marathon's drilling plans.

11. In addition, there have been delays in obtaining BLM approved APDs, which in turn delays Marathon's schedule.

12. Under Order No. R-21106-A, Marathon would be required to commence drilling the well by February 13, 2022.

13. Marathon asks that the deadline to commence drilling the well be extended for one year from February 13, 2022 to February 13, 2023.

¹ Paragraph 15 cites to Paragraph 13 of the Order; however this appears to be a relic from the form of order which does not take into account Paragraph 9 which sets a specific deadline by which Marathon must commence drilling the initial well. The correct internal cross reference should be to paragraph 9.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on October 7, 2021, and after notice and hearing as required by law, the Division:

A. Amend Order No. R-21106-A to extend the time for Marathon to commence drilling the initial well under the Order for a year, through February 13, 2023.

APPLICATION OF MARATHON OIL
PERMIAN LLC TO AMEND ORDER
NO. R-21113-A, EDDY COUNTY, NEW MEXICO

CASE NO. 22194
ORDER NO. R-21113-A
(Re-Open)

APPLICATION

Marathon Oil Permian LLC (“Marathon”), OGRID Number 372098, through its undersigned attorney, files this application with the Oil Conservation Division (“Division”) for the limited purpose of amending Order No. R-21113-A (the “Order”) to allow for a second extension of time for Marathon to commence drilling the initial well under the Order. In support of this application, Marathon states as follows:

1. Order No. R-21113 pooled uncommitted interest owners in a 640-acre, more or less, Wolfcamp horizontal spacing unit comprised of the S/2 of Section 12, Township 23 South, Range 28 East and Section 7, Township 23 South, Range 29 East, NMPM, Eddy County, New Mexico.

2. Order No. R-21113 designated Marathon as the operator of the wells and the unit.

3. The Division Hearing for Case No. 20864 was held on November 14, 2019.

4. The Division entered Order No. R-21113 in Case No. 20864 on February 13, 2020.

This order was issued under the “interim form of order” and did not conform to the Amended Order Template.

5. In December 2020, Marathon requested that Order No. R-21113 be re-opened to conform the Order to the terms of the Amended Order Template and to allow Marathon additional time to commence drilling the initial well under the Order.

6. On January 19, 2021 (in Case No. 21607), the Division entered Order No. R-21113-A, in which the Division granted Marathon's application to amend the Order to conform to the Amended Order Template and extended the period of time to commence drilling the initial well under the Order until February 13, 2022. *See* Order R-21113-A ¶ 9.

7. Order No. R-21113-A ¶ 15 states: "This Order shall terminate automatically if Operator fails to comply with Paragraph [9]¹ unless Operator obtains an extension by an amendment of this Order for good cause shown."

8. Good cause exists for Marathon's request for a second extension of time.

9. As Marathon explained in its first extension request, there have been changes in Marathon's drilling schedule due to COVID-19 and the then-existing market conditions.

10. Marathon's operations and drilling activity continue to be impacted by COVID-19 and oil and gas market conditions, which continue to delay Marathon's drilling plans.

11. In addition, there have been delays in obtaining BLM approved APDs, which in turn delays Marathon's schedule.

12. Under Order No. R-21113-A, Marathon would be required to commence drilling the well by February 13, 2022.

13. Marathon asks that the deadline to commence drilling the initial well be extended for one year from February 13, 2022 to February 13, 2023.

¹ Paragraph 15 cites to Paragraph 13 of the Order; however this appears to be a relic from the form of order which does not take into account Paragraph 9 which sets a specific deadline by which Marathon must commence drilling the initial well. The correct internal cross reference should be to paragraph 9.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on October 7, 2021, and after notice and hearing as required by law, the Division:

A. Amend Order No. R-21113-A to extend the time for Marathon to commence drilling the initial well under the Order for a year, through February 13, 2023.
