

**STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**APPLICATION OF SPC RESOURCES, LLC
TO AMEND ORDER NO. R-21100-A,
EDDY COUNTY, NEW MEXICO.**

CASE NO. _____

APPLICATION

SPC Resources, LLC (“Applicant” or “SPC Resources”) (OGRID No. 372262), through its undersigned attorneys, hereby files this application with the Oil Conservation Division, to amend Order No. R-21100-A (the “Order”) to allow for a one-year extension for drilling the proposed initial well under the Order. In support, Applicant states:

1. Division Order No. R-21100, entered on February 12, 2020 in Case No. 20859, created a 635.06-acre, more or less, standard horizontal spacing unit underlying the Lots 1-4 and the S/2 N/2 (N/2 equivalent) of irregular Section 5, and Lots 1-5, the SE/4 NW/4, and the S/2 NE/4 (N/2 equivalent) of irregular Section 6, Township 22 South, Range 27 East, NMPM, Eddy County, New Mexico (the “Unit”), and designated Applicant as the operator of the Unit.
2. Order No. R-21100 further pooled the uncommitted interests in the Wolfcamp formation (Purple Sage; Wolfcamp Pool (Pool Code 98220)) in the Unit and dedicated the Unit to the **Betty 5-6 WCXY #2H well** (API No. 30-015-pending).
3. Order No. R-21100-A pooled previously unidentified interest owners in the subject spacing unit and extended the drilling deadline.
4. Order No. R-21100-A requires the drilling of the initial well by February 12, 2022.
5. There is good cause for Applicant’s request that the Order be re-opened and amended to allow additional time to commence drilling the well under the Order.

6. The Division has determined that drilling and completing wells within the subject acreage “poses a clear and immediate risk of harm to the stability of the [Carlsbad Brine Well] Cavity and the successful completion of the ongoing Carlsbad Brine Well remediation project[,]” and “to surface development and the groundwater aquifer overlying the Cavity.” See Order R-21888, ¶¶ 57-58; see also Division Application in Case No. 22472. As a result, the Division has ordered the cessation of drilling and completion activities of oil and gas wells within the vicinity of the subject acreage. See generally Order R-21888 and Case No. 22472.

7. Therefore, Applicant requests a one-year extension of time to drill the initial well under the Order, until February 12, 2023.

WHEREFORE, Applicant requests that this application be set for hearing before an Examiner of the Oil Conservation Division on February 3, 2022, and, after notice and hearing as required by law, the Division enter an order granting this application.

Respectfully submitted,

HOLLAND & HART LLP
