Case Nos. 22521 - 22524

OPPOSED MOTION TO VACATE PRE-HEARING ORDER

E.G.L. Resources, Inc. ("E.G.L.") moves the Division to vacate the Pre-Hearing Order ("PHO") issued in these cases. In support thereof, E.G.L. states:

1. The PHO in these cases set the hearing for the April 21, 2022 docket.
2. In these cases Legacy Reserves Operating LP ("Legacy") and E.G.L. have proposed well units which overlap each other, as follows:
 - (a) In its cases Legacy seeks to pool the Bone Spring formation in (collectively) the E/2 of Section 15 and the E/2 of Section 22, Township 19 South, Range 33 East N.M.P.M.; and
 - (b) In its cases E.G.L. seeks to pool the Bone Spring and Wolfcamp formations in (collectively) the E/2 of Section 22 and the E/2 of Section 22, Township 19 South, Range 33 East N.M.P.M.
- 3 E.G.L. has also filed applications, in Case Nos. 22605 – 22608, to pool the Bone Spring and Wolfcamp formations in (collectively) the W/2 of Section 22 and the W/2 of Section 22, Township 19 South, Range 33 East N.M.P.M. These cases are set for hearing in May 2022.

4. Earthstone Permian LLC and Earthstone Operating, LLC (collectively "Earthstone") has requested a continuance of the cases (listed in the heading of this pleading) to June 2, 2022, so that it can evaluate the competing applications (Earthstone has interests in all of E.G.L.'s applications). E.G.L. has agreed to the request.

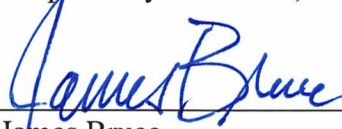

5. All cases should be combined for a single hearing in the interests of administrative efficiency.

6. Also, E.G.L. desires additional time in which to further negotiate with all working interest owners, especially since Earthstone is new to the game.

7. Counsel for Legacy has informed the undersigned that (a) it opposes vacating the PHO as to its cases, and (b) it does not oppose a continuance of E.G.L.'s cases.

WHEREFORE, E.G.L. requests that the PHO and the contested hearing be vacated, and that all of the cases (including Case Nos. 22605 – 22608) be set for a hearing on June 2, 2022.

Respectfully submitted,

James Bruce
