APPLICATION OF REDWOOD OPERATING  
LLC FOR COMPULSORY POOLING, EDDY  
COUNTY, NEW MEXICO.

CASE NO. 22855

SELF-AFFIRMED STATEMENT OF JUSTIN TELTSCHIK

Justin Teltschik, of lawful age and being first duly sworn, declares as follows:

1. My name is Justin Teltschik. I am the co-managing member of Pecos Oil & Gas, LLC. I am familiar with the application filed in this case and have personal knowledge of the information provided in this affidavit.

2. Pecos Oil & Gas, LLC is a foreign limited liability company registered in Delaware with a principal place of business at 1455 West Loop South, Suite 230, Houston, Texas. It is registered to do business in New Mexico through the New Mexico Secretary of State and is in good standing.

3. Pecos Oil & Gas, LLC is a working interest owner in each of the tracts that comprise the proposed horizontal spacing unit in this case. As a working interest owner, Pecos Oil & Gas, LLC has a right to drill wells in the subject acreage.

4. However, Pecos Oil & Gas, LLC is not an operator of oil and gas wells or other oil and gas facilities in New Mexico. Therefore, it does not have an OGRID number and is not a bonded or registered operator through the New Mexico Oil Conservation Division.

5. Pecos Oil & Gas, LLC has therefore contracted with Redwood Operating LLC to propose wells, operate wells, operate Pecos Oil & Gas, LLC's working interests, and generally act on behalf of Pecos Oil & Gas, LLC to manage its leasehold interests in New Mexico.

BEFORE THE OIL CONSERVATION DIVISION  
Santa Fe, New Mexico  
Supplemental Exhibit No. G  
Submitted by: Redwood Operating LLC  
Hearing Date: July 7, 2022  
Case No. 22855

6. Redwood Operating LLC is a domestic limited liability company with a principal place of business at 11344 Lovington Highway, Artesia, New Mexico.

7. As part of its contractual agreement with Redwood Operating LLC, Pecos Oil & Gas, LLC authorized Redwood Operating LLC to propose the wells and to file the application that is the subject of this compulsory pooling proceeding on its behalf. Redwood Operating LLC is also authorized to manage Pecos Oil & Gas, LLC's leasehold interests that are the subject of this case.

8. Accordingly, Redwood Operating LLC has a right to propose, drill, and operate wells on the subject acreage, as well as to file compulsory pooling applications to force pool uncommitted owners, on behalf of Pecos Oil & Gas LLC.

9. I affirm under penalty of perjury under the laws of the State of New Mexico that the foregoing statements are true and correct. I understand that this self-affirmed statement will be used as written testimony in this case. This statement is made on the date next to my signature below.
