JOINT MOTION TO VACATE PRE-HEARING ORDER

The Applicants in the above referenced matters jointly move the Division to vacate the Amended Pre-Hearing Order setting these cases for a contested hearing on August 4, 2022, and instead hold a status conference. The applicants in these matters desire additional time to digest the recently issued Order R-22204 involving the Wolfcamp formation underlying the subject acreage and to review options for addressing the competing development plans for the Bone Spring formation. No other parties have appeared in these matters.
