CASE NO. 22973

SECOND SELF-AFFIRMED STATEMENT OF DENISE GREER

1. My name is Denise Greer and I am employed by Catamount Energy Partners LLC (“Catamount”) as a Senior Landman. I am familiar with the filed application, previously issued a statement in this matter and attended the hearing that took place on August 4, 2022.

2. Pursuant to the instructions from the Examiner at the August 4th hearing, I have identified the affected parties in the acreage surrounding the proposed non-standard spacing unit and provided the law firm of Holland & Hart LLP with the names and addresses of the affected parties. All of them have been located and no one objects to the proposed non-standard spacing unit.

3. **Catamount Exhibit A-6** identifies the mineral ownership in the proposed spacing unit. I have updated that list to highlight owners that remain to be pooled.

4. **Catamount Exhibit A-7** contains an updated chronology of contacts with the mineral owners that Catamount seeks to pool. It reflects the good faith efforts to locate the mineral owners Catamount has been unable to find, and provides an update of the good faith efforts to obtain a voluntary agreement from those owners Catamount has been able to locate.

5. **Catamount Exhibits A-6 and A-7** were either prepared by me or compiled under my direction and supervision.

6. I affirm under penalty of perjury under the laws of the State of New Mexico that
