**CASE NO. 23099**

**SUPPLEMENTAL SELF-AFFIRMED  
STATEMENT OF TAYLOR WARREN**

1. I am the Vice President of Land at Steward Energy II, LLC (“Steward”) and am over 18 years of age. I previously submitted a self-affirmed statement in this matter, which was marked at Steward Exhibit A.

2. At the November 3, 2022 hearing in this matter, the Division requested that Steward provide additional information to: (1) clarify the total percentage of committed interests in Tract A; and (2) describe the search methods Steward used to attempt to locate pooled parties.

3. With respect to the first request, an amended version of Exhibit A-3 is attached that includes the correct percentage of total committed interests in Tract A. This tract does not include any uncommitted interests.

4. With respect to Steward’s efforts to locate unlocatable parties, Steward conducted a diligent search of all relevant county public records, phone directories and computer databases, that a landman in the normal course of business would search. Over the course of several years since leasing activity began, the lease broker, Shaw Interests, Inc., and our in-house Landman, Cooper Newlan, each conducted their own diligent searches, and worked in conjunction, to locate unlocatable parties. Each used <https://www.google.com/> to obtain as many details as possible prior to conducting searches on websites that included the following:

<http://accurint.com/> (a Lexis-Nexis paid subscription search service)

<https://www.ancestry.com/>

Exhibit A-6

<https://www.familysearch.org/en/>

<https://www.findagrave.com/>

<https://www.legacy.com/>

<https://www.newspapers.com/>

<https://www.whitepages.com/>

5. Shaw Interests, Inc. sent correspondence and lease offer packages to confirmed and prospective addresses. Additionally, telephone calls were made in an attempt to reach the relatives/heirs.

6. I understand this Supplemental Self-Affirmed Statement will be used as written testimony in this case. I affirm that my testimony above is true and correct and is made under penalty of perjury under the laws of the State of New Mexico. My testimony is made as of the date handwritten next to my signature.
