APPLICATION OF E.G.L. RESOURCES INC.
FOR COMPULSORY POOLING IN
LEA COUNTY, NEW MEXICO

Case No. 23214

**MOTION TO VACATE PRE-HEARING ORDER
AND SET STATUS CONFERENCE**

Cimarex Energy Co. (“Cimarex”) moves the Oil Conservation Division (“Division”) to vacate the Pre-hearing Order issued December 1, 2022, pursuant to the above-referenced case and requests a status conference on February 16, 2023, in lieu of the scheduled hearing.

It has come to the Parties’ attention that four applications to be filed by Cimarex on February 9, 2023, as competing applications involving Case No. 23308 will also overlap and compete with the application of E.G.L Resources, Inc., (“EGL”) in the above-referenced case. As a result, and for the sake of administrative efficiency and to allow for proper review of existing development plans for preventing waste and protecting correlative rights, Cimarex respectfully requests that said Pre-hearing Order be vacated and Case No. 23214 be set for a status conference in order to discuss procedural matters and hearing dates.

Counsel have been informed about this Motion. Matador Production Company and MRC Permian Company support the Motion. EGL’s position is pending.

Respectfully Submitted,
