

**STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION**

**APPLICATION OF SPUR ENERGY  
PARTNERS LLC FOR APPROVAL  
OF A NON-STANDARD WELL LOCATION,  
EDDY COUNTY, NEW MEXICO.**

**CASE NO. 23680**

**NOTICE OF DISMISSAL**

Spur Energy Partners LLC (“Spur” or “Applicant”) (OGRID No. 328947), through undersigned attorneys, gives notice that it is dismissing its application for a hearing before a Division Hearing Examiner in this case. Longfellow Energy, LP withdrew its objection and appearance in this matter on August 28, 2023, thereby obviating the need for a hearing. No other affected party objects to Spur’s administrative application for a non-standard well location. Accordingly, Spur is voluntarily dismissing this case and requests the Division administratively review and approve Spur’s non-standard location.

WHEREFORE, Spur Energy Partners LLC requests that case be dismissed and that the Division administratively review and approve Spur’s underlying application for a non-standard well location.

Respectfully submitted,

HOLLAND & HART LLP
