

**STATE OF NEW MEXICO  
DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES  
BEFORE THE NEW MEXICO OIL CONSERVATION DIVISION**

**APPLICATIONS OF MEWBOURNE OIL COMPANY  
FOR COMPULSORY POOLING AND A NON-STANDARD,  
SPACING UNIT, EDDY COUNTY, NEW MEXICO                      CASE NO. 24275**

**PERMIAN RESOURCES OPERATING, LLC'S MOTION FOR CONTINUANCE**

Permian Resources Operating, LLC (OGRID No. 372165) ("Permian Resources") through undersigned counsel requests that the Division continue Case No. 24275 to the June 27, 2024, hearing docket for a status conference.

Permian Resources has previously entered an appearance in the above Case No. through undersigned counsel and an objection to the matter proceeding by affidavit. Permian Resources opposes Mewbourne Oil Company's plans for the proposed spacing unit and has competing development plans for the lands within the same. The length of time via continuance is intended to give the parties ample opportunity to reach an agreed solution.

Respectfully submitted,

HOLLIDAY ENERGY LAW GROUP, PC
