CO. FOR COMPULSORY POOLING, LEA COUNTY,

CASE NO. 25521 - 25524

**ENTRY OF APPEARANCE
AND
MOTION TO VACATE OR AMEND PRE-HEARING ORDER**

James Bruce hereby enters his appearance in the above cases on behalf of Marshall & Winston ("M&W"), and for other relief, and in support thereof, states:

1. The above cases involve competing applications for the pooling of lands in Township 18 South, Range 35 East, NMPM and Township 19 South, Range 35 East, NMPM. These cases are set for hearing on August 12 and 13, 2025.

2. M&W owns interests in some of the lands being pooled. It also is an interest owner in the existing Blue Box Fed. Com. Well No. 505H, which is being overlapped by Coterra Energy Operating Co.'s ("Coterra") well unit for Case No. 25520.

3. Coterra sent well proposals to M&W by a letter dated July 25, 2025, received by M&W on July 28, 2025. **Exhibit 1.**

4. Coterra sent a notice of the hearing to M&W by a letter dated July 25, 2025, received by M&W on August 1, 2025. **Exhibit 2.**

5. M&W requests that the Pre-Hearing Order ("PHO") in this case be vacated or amended to provide for a later hearing date, for the following reasons:

(a) The proposal letter was not sent to M&W 30-45 days prior to Coterra's applications, as required by Division practice. In fact, the letters were sent after the filing of the

applications. Thus, M&W has not had adequate time to review and analyze Coterra's proposals and their potential effect on existing wells.

(b) Coterra's notice letter was mailed less than 20 days before the hearing. Therefore it does not comply with Division Rules.

(c) M&W did not have sufficient time to prepare for hearing and could not prepare and file exhibits and testimony for submission to the Division in a timely manner.

6. For the foregoing reasons, in order to protect M&W's correlative rights, the PHO should be vacated, or should be amended to provide for a later hearing date. If this motion is granted M&W will a motion to continue these cases via the fee permitting portal.

7. Counsel for Coterra does not take a position on this motion. Counsel for Rockwood Energy, L.P. ("Rockwood") does not oppose the granting of this motion as to Coterra's cases, but desires its cases be heard next week.

WHEREFORE, M&W requests that the PHO be vacated, or amended to set the subject cases case for a later hearing docket.

Respectfully submitted,

James Bruce

Coterra reserves the right to modify the locations and drilling plans described above in order to address compliance with topography, cultural, or environmental concerns, among others, which might require modification of Coterra's proposal. Coterra will advise you of any such modifications.

Enclosed are Coterra's detailed AFEs reflecting estimated costs for each well associated with this proposal. Coterra is proposing to drill these wells under the modified terms of the 1989 AAPL Operating Agreement.

The Operating Agreement has the following general provisions:

- 100%/300%/300% Non-Consenting Penalty
- \$8,000/\$800 Drilling and Producing Rate
- Coterra Energy Operating Co. designated as Operator

CASE NO. 25525
(Yeti State Com #224H)

TO: AFFECTED PARTIES

I am writing to follow up on a letter I sent on July 24, 2025, enclosing applications for the above captioned cases. The case numbers in the July 24 letters and on the enclosed applications had certain typographical errors. The case numbers above are the correct case numbers. I have also included the August 13 Docket from the Oil Conservation Division which identifies the cases and case numbers.

Please feel free to reach out to me with any questions.

As noted in the letters I sent, these cases will be set for a contested hearing on August 13, 2025. These applications, along with other applications Coterra has filed, compete with the applications of Rockwood Energy, LP, Case Nos. 25241-25246, which are set for contested hearing on August 12, 2025 beginning at 1:30 p.m. The hearing will be conducted in a hybrid fashion, both in-person at the Energy, Minerals, Natural Resources Department, Wendell Chino Building, Pecos Hall, 1220 South St. Francis Drive, 1st Floor, Santa Fe, NM 87505 and via the WebEx virtual meeting platform. To participate in the electronic hearing, see the instructions posted on the docket for the hearing date: <https://www.emnrd.nm.gov/ocd/hearing-info/>.

As a party who may be affected by these applications, we are notifying you of your right to appear at the hearing and participate in these cases, including the right to present evidence either in support of or in opposition to the applications. Failure to appear at the hearing may preclude you from any involvement in these cases at a later date.

Page 3

You are further notified that if you desire to appear in these cases, then you are requested to file a Pre-Hearing Statement with the Division at least four business days in advance of a scheduled hearing before the Division or the Commission, but in no event later than 5:00 p.m. mountain time, on the Thursday preceding the scheduled hearing date, with a copy delivered to the undersigned.

Sincerely,

A handwritten signature in cursive script that reads "Deana M. Bennett".
