Case No. 25757

ENTRY OF APPEARANCE & OBJECTION

COMES NOW, Abadie & Schill, PC, (Darin C. Savage, Andrew D. Schill and William E. Zimsky), and hereby enters an appearance on behalf of Devon Energy Production Company, L.P. ("Devon"), in the above-referenced case and protests and objects to this case. Devon received the notice sent by Targa Midstream Services, LLC ("Targa") the week of Thanksgiving and is addressing this matter as soon as possible, the very next week. Devon operates a number of wells in the vicinity that would be negatively impacted by the injection of acid at the depths targeted in the application. The proposed injection would cause waste and violate correlative rights due to the harm that acidizing at these depths would have on Devon's existing wells. Furthermore, this is an area that Devon has been actively developing and intends to continue developing through the drilling of future wells. Acid injection at the depths proposed by Targa would jeopardize this future development and deprive owners of future production. Accordingly, Devon respectfully requests that the Oil Conservation Division vacate the currently scheduled administrative hearing and instead set this matter for a contested hearing, allowing Devon the opportunity to present its case in opposition to Targa's proposed injection, to prevent waste, and to protect correlative rights.

Respectfully Submitted,

ABADIE & SCHILL, PC
