NO. R-23624, LEA COUNTY, NEW MEXICO.

CASE NO. 25826  
ORDER NO. R-23624

**NOTICE OF AMENDED EXHIBIT PACKET**

Coterra Energy Operating (“Coterra”) provides the attached amended exhibit packet, which includes the following amended exhibits:

- **Table of Contents:** Revised to show Exhibit C, Self-Affirmed Statement of Kent Weinkauf and to note that Exhibit A-3 has been superceded by Exhibit C-1.
- **Exhibit C:** Self-Affirmed Statement of Kent Weinkauf, Coterra Reservoir Engineer, in support of extension request and timing.

No parties have entered an appearance in this case.

Respectfully submitted,

MODRALL, SPERLING, ROEHL, HARRIS  
& SISK, P.A.

CASE NO. 25826  
ORDER NO. R-23624

**SELF-AFFIRMED STATEMENT OF TREY ROBERSON**

Trey Roberson hereby states and declares as follows:

1. I am a Landman—Permian Business Unit for Coterra Energy Operating Co. (“Coterra”), over the age of 18, and have personal knowledge of the matters stated herein.
2. I have previously testified before the Oil Conservation Division (“Division”) and my credentials as an expert petroleum landman were accepted as a matter of record. My area of responsibility at Coterra includes the area Lea County in New Mexico.
3. I am familiar with the application filed by Coterra in this case, which is attached as

**Exhibit A-1.**

4. I am familiar with the status of the lands that are subject to this application.
5. I submit the following information pursuant to NMAC 19.15.4.12.A(1) in support of the above referenced application.
6. In this application, Coterra seeks an order mending Order No. R-23624 (the “Order”) to allow for an extension of time to commence drilling the wells authorized by the Order.
7. The Division issued Order R-23624 in Case No. 24722 on January 14, 2025.
8. The Order pooled all uncommitted interests in a 640-acre, more or less, Bone Spring horizontal spacing unit comprised of the N/2 of Sections 35 and 36, Township 18 South, Range 32

Coterra Energy Operating Co.

East, NMMP, Lea County, New Mexico and approved a non-standard unit (the "Unit"). A copy of the Order is attached as **Exhibit A-2**.

9. The Order designated Avant Operating, LLC as the operator of the Unit and the wells to be drilled within the Unit. Coterra is Avant Operating, LLC's successor-in-interest under the Order. In January 2025, Coterra acquired Avant Operating, LLC and Avant Operating, LLC's interests in the lands subject to the Order.

10. Paragraphs 28 and 29 of the Order require Coterra to commence drilling the initial well within one (1) year of the date of the Order unless Coterra obtains a time extension from the Division for good cause shown. Under the Order, the deadline to commence drilling the wells is January 14, 2026.

11. Coterra requests that the Order be re-opened and amended to allow Coterra additional time to commence drilling the wells under the Order.

12. Good cause exists for Coterra's request for an extension of time.

13. This is Coterra's first request for an extension of time for the Order. Coterra is in good standing under the Division's rules and regulations with respect to the Order. Coterra has experienced delays in planned development due to the acquisition of Avant, as well as the acquisition of Franklin Mountain Energy. Additionally, unanticipated changes in economic conditions, including volatile commodity price fluctuations and tariffs, have resulted in economic uncertainty creating some unexpected delay.

14. Coterra **Exhibit A-3** is an estimated development plan and timeline for each well under the Order.

15. Coterra requests an extension of time for one year from January 14, 2026 to January 14, 2027 to commence drilling the wells under the Order consistent with Exhibit A-3.

16. None of the working interest owners subject to the pooling order has been as at this time to make an election on the wells or to pay their estimated share of the costs to drill, complete, and equip the wells.

17. No opposition is expected because the parties that were pooled have been contacted regarding the proposed extension and, to my knowledge, have not objected to the proposed extension.

18. Coterra provided updated notice information, to the extent necessary, to Coterra's counsel to provide notice of this extension application.

19. In my opinion, the granting of this application is in the interests of conservation and the prevention of waste.

20. The exhibits to my self-affirmed statement were prepared by me, or compiled from company business records, or were prepared at my direction or supervision.

21. I attest under penalty of perjury the laws of the State of New Mexico that the information provided herein is correct and complete to the best of my knowledge and belief and I will adopt this testimony at the hearing in this matter.

APPLICATION OF COTERRA ENERGY  
OPERATING CO. TO AMEND ORDER  
NO. R-23624, LEA COUNTY, NEW MEXICO.

CASE NO. 25826  
ORDER NO. R-23624

APPLICATION

Coterra Energy Operating (“Coterra”), OGRID Number 215099, through its undersigned attorneys, hereby files this application with the Oil Conservation Division (“Division”) for the limited purpose of amending Order No. R-23624 (the “Order”) to allow for an extension of time to commence drilling the wells authorized by the Order. As grounds for this application, Coterra states:

1. The Division issued Order R-23624 in Case No. 24722 on January 14, 2025.
2. The Order pooled all uncommitted interests in a 640-acre, more or less, Bone Spring horizontal spacing unit comprised of the N/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMPM, Lea County, New Mexico and approved a non-standard unit (the “Unit”).
3. The Order designated Avant Operating, LLC as the operator of the Unit and the wells to be drilled within the Unit.
4. Coterra is Avant Operating, LLC’s successor-in-interest under the Order. In January 2025, Coterra acquired Avant Operating, LLC and Avant Operating, LLC’s interests in the lands subject to the Order.
5. Paragraphs 28 and 29 of the Order require Coterra to commence drilling the initial well within one (1) year of the date of the Order unless Coterra obtains a time extension from the Division for good cause shown. Under the Order, the deadline to commence drilling the wells is January 14, 2026.

6. Good cause exists for the requested extension.
7. This is Coterra's first request for an extension of time for the Order.
8. Coterra requests an extension of time for one year from January 14, 2026 to January 14, 2027 to commence drilling the wells under the Order.

WHEREFORE, Coterra requests this application be set for hearing before an Examiner of the Oil Conservation Division on January 8, 2026, and after notice and hearing, the Division as required by law, the Division amend Order No. R-23624 as requested herein.

Respectfully submitted,

MODRALL, SPERLING, ROEHL, HARRIS

No. 25826

**Application of Coterra Energy Operating Co. to Amend Order No. R-23624, Lea County, New Mexico.** Coterra Energy Operating Co. seeks an order amending Order No. R-23624 to extend the deadline to commence drilling the wells under the Order. Order R-23624 pooled uncommitted interest owners in a non-standard 640-acre, more or less, Bone Spring horizontal spacing unit comprised of the N/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMPM, Lea County, New Mexico. Said area is located approximately 10 miles south of Maljamar, New Mexico.

**STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION**

**IN THE MATTER OF APPLICATION FOR  
COMPULSORY POOLING AND APPROVAL  
OF NON-STANDARD SPACING UNIT  
SUBMITTED BY AVANT OPERATING, LLC**

**CASE NO. 24722  
ORDER NO. R-23624**

**ORDER**

The Director of the New Mexico Oil Conservation Division (“OCD”), having heard this matter through a Hearing Examiner on October 31, 2024, and after considering the testimony, evidence, and recommendation of the Hearing Examiner, issues the following Order.

**FINDINGS OF FACT**

1. Avant Operating, LLC (“Operator”) submitted an application (“Application”) to compulsorily pool the uncommitted oil and gas interests within the spacing unit (“Unit”) described in Exhibit A.
2. The Application also seeks approval of a Non-Standard horizontal spacing unit for production from all Division-designated pools underlying the Unit.
3. Operator seeks to be designated the operator of the Unit.
4. Operator will dedicate the well(s) described in Exhibit A (“Well(s)”) to the Unit.
5. Operator proposes the supervision and risk charges for the Well(s) described in Exhibit A.
6. Operator identified the owners of uncommitted interests in oil and gas minerals in the Unit and provided evidence that notice was given.
7. Operator identified the owners of interest in the offset oil and gas minerals from the Unit and provided evidence that notice was given.
8. The Application was heard by the Hearing Examiner on the date specified above, during which Operator presented evidence through affidavits in support of the Application. No other party presented evidence at the hearing.

**CONCLUSIONS OF LAW**

9. OCD has jurisdiction to issue this Order pursuant to NMSA 1978, Section 70-2-17.
10. Operator is the owner of an oil and gas working interest within the Unit.

11. Operator satisfied the notice requirements for the Application and the hearing as required by 19.15.4.12 NMAC.
12. Operator has met the notice requirements for approval of non-standard horizontal spacing units in accordance with 19.15.16.15(B)(5) NMAC.
13. OCD satisfied the notice requirements for the hearing as required by 19.15.4.9 NMAC.
14. Operator has the right to drill the Well(s) to a common source of supply at the depth(s) and location(s) in the Unit described in Exhibit A.
15. OCD's rules allow the approval of a non-standard horizontal spacing unit, after notice and opportunity for hearing, "if necessary to prevent waste or protect correlative rights" 19.15.16.15(B)(5)(a) NMAC.
16. While the OCD is authorized to approve a non-standard spacing unit, Rutter & Wilbanks Corp. v. Oil Conservation Comm'n, 1975-NMSC-006, OCD lacks the authority to approve unitization and will disapprove an application if it determines that it is actually unitization. Order R-13554 (May 18, 2012) (disapproving application for a non-standard spacing unit consisting of 16 standard spacing units).
17. Approval of the Non-Standard Spacing Unit promotes effective well spacing and allows the Operator to therefore prevent waste and protect correlative rights.
18. The Unit contains separately owned uncommitted interests in oil and gas minerals.
19. Some of the owners of the uncommitted interests have not agreed to commit their interests to the Unit.
20. The pooling of uncommitted interests in the Unit will prevent waste and protect correlative rights, including the drilling of unnecessary wells.
21. This Order affords to the owner of an uncommitted interest the opportunity to produce his just and equitable share of the oil or gas in the pool.

### **ORDER**

22. The Unit is approved as a non-standard horizontal spacing unit.
23. Operator shall file Forms C-102 reflecting the correct acreage dedicated for each of the Wells.
24. The uncommitted interests in the Unit are pooled as set forth in Exhibit A.
25. The Unit shall be dedicated to the Well(s) set forth in Exhibit A.

CASE NO. 24722  
ORDER NO. R-23624

Page 2 of 9

26. Operator is designated as operator of the Unit and the Well(s).
27. If the location of a well will be unorthodox under the spacing rules in effect at the time of completion, Operator shall obtain the OCD's approval for a non-standard location in accordance with 19.15.16.15(C) NMAC.
28. The Operator shall commence drilling the Well(s) within one year after the date of this Order, and complete each Well no later than one (1) year after the commencement of drilling the Well.
29. This Order shall terminate automatically if the Operator fails to comply with the preceding paragraph unless the Operator obtains an extension by amending this Order for good cause shown.
30. The infill well requirements in 19.15.13.9 NMAC through 19.15.13.12 NMAC shall be applicable.
31. Operator shall submit each owner of an uncommitted working interest in the pool ("Pooled Working Interest") an itemized schedule of estimated costs to drill, complete, and equip the well ("Estimated Well Costs").
32. No later than thirty (30) days after Operator submits the Estimated Well Costs, the owner of a Pooled Working Interest shall elect whether to pay its share of the Estimated Well Costs or its share of the actual costs to drill, complete and equip the well ("Actual Well Costs") out of production from the well. An owner of a Pooled Working Interest who elects to pay its share of the Estimated Well Costs shall render payment to Operator no later than thirty (30) days after the expiration of the election period, and shall be liable for operating costs, but not risk charges, for the well. An owner of a Pooled Working Interest who fails to pay its share of the Estimated Well Costs or who elects to pay its share of the Actual Well Costs out of production from the well shall be considered to be a "Non-Consenting Pooled Working Interest."
33. No later than one hundred eighty (180) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the Actual Well Costs. The Actual Well Costs shall be considered to be the Reasonable Well Costs unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Reasonable Well Costs after public notice and hearing.
34. No later than sixty (60) days after the expiration of the period to file a written objection to the Actual Well Costs or OCD's order determining the Reasonable Well Costs, whichever is later, each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs shall pay to Operator its share of the

CASE NO. 24722  
ORDER NO. R-23624

Page 3 of 9

Reasonable Well Costs that exceed the Estimated Well Costs, or Operator shall pay to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs its share of the Estimated Well Costs that exceed the Reasonable Well Costs.

35. The reasonable charges for supervision to drill and produce a well ("Supervision Charges") shall not exceed the rates specified in Exhibit A, provided however that the rates shall be adjusted annually pursuant to the COPAS form entitled "Accounting Procedure-Joint Operations."
36. No later than within ninety (90) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the reasonable charges for operating and maintaining the well ("Operating Charges"), provided however that Operating Charges shall not include the Reasonable Well Costs or Supervision Charges. The Operating Charges shall be considered final unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Operating Charges after public notice and hearing.
37. Operator may withhold the following costs and charges from the share of production due to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs: (a) the proportionate share of the Supervision Charges; and (b) the proportionate share of the Operating Charges.
38. Operator may withhold the following costs and charges from the share of production due to each owner of a Non-Consenting Pooled Working Interest: (a) the proportionate share of the Reasonable Well Costs; (b) the proportionate share of the Supervision and Operating Charges; and (c) the percentage of the Reasonable Well Costs specified as the charge for risk described in Exhibit A.
39. Operator shall distribute a proportionate share of the costs and charges withheld pursuant to the preceding paragraph to each Pooled Working Interest that paid its share of the Estimated Well Costs.
40. Each year on the anniversary of this Order, and no later than ninety (90) days after each payout, Operator shall provide to each owner of a Non-Consenting Pooled Working Interest a schedule of the revenue attributable to a well and the Supervision and Operating Costs charged against that revenue.
41. Any cost or charge that is paid out of production shall be withheld only from the share due to an owner of a Pooled Working Interest. No cost or charge shall be withheld from the share due to an owner of a royalty interests. For the purpose of this Order, an unleased mineral interest shall consist of a seven-eighths (7/8) working interest and a one-eighth (1/8) royalty interest.

CASE NO. 24722  
ORDER NO. R-23624

Page 4 of 9

42. Except as provided above, Operator shall hold the revenue attributable to a well that is not disbursed for any reason for the account of the person(s) entitled to the revenue as provided in the Oil and Gas Proceeds Payment Act, NMSA 1978, Sections 70-10-1 *et seq.*, and relinquish such revenue as provided in the Uniform Unclaimed Property Act, NMSA 1978, Sections 7-8A-1 *et seq.*
43. The Unit shall terminate if (a) the owners of all Pooled Working Interests reach a voluntary agreement; or (b) the well(s) drilled on the Unit are plugged and abandoned in accordance with the applicable rules. Operator shall inform OCD no later than thirty (30) days after such occurrence.
44. OCD retains jurisdiction of this matter for the entry of such orders as may be deemed necessary.

**Re: APPLICATION OF COTERRA ENERGY  
OPERATING CO. TO AMEND ORDER  
NO. R-23624, LEA COUNTY, NEW MEXICO.**

**CASE NO. 25826**

**TO: AFFECTED PARTIES**

This letter is to advise you that Coterra Energy Operating Co. ("Coterra") has filed the enclosed application.

In Case No. 25826, Coterra seeks an order amending Order No. R-23624 to extend the deadline to commence drilling the wells under the Order. Order R-23624 pooled uncommitted interest owners in a non-standard 640-acre, more or less, Bone Spring horizontal spacing unit comprised of the N/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMPM, Lea County, New Mexico. Said area is located approximately 10 miles south of Maljamar, New Mexico.

The hearing is set for January 8, 2026 beginning at 9:00 a.m. The hearing will be conducted in a hybrid fashion, both in-person at the Energy, Minerals, Natural Resources Department, Wendell Chino Building, Pecos Hall, 1220 South St. Francis Drive, 1<sup>st</sup> Floor, Santa Fe, NM 87505 and via the WebEx virtual meeting platform. To participate in the electronic hearing, see the instructions posted on the docket for the hearing date: <https://www.emnrd.nm.gov/ocd/hearing-info/>.

As a party who may be affected by this application, we are notifying you of your right to appear at the hearing and participate in this case, including the right to present evidence either in support of or in opposition to the application. Failure to appear at the hearing may preclude you from any involvement in this case at a later date.

You are further notified that if you desire to appear in this case, then you are requested to file a Pre-Hearing Statement with the Division at least four

STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION

APPLICATION OF COTERRA ENERGY  
OPERATING CO. TO AMEND ORDER  
NO. R-23624, LEA COUNTY, NEW MEXICO.

CASE NO. 25826  
ORDER NO. R-23624

APPLICATION

Coterra Energy Operating (“Coterra”), OGRID Number 215099, through its undersigned attorneys, hereby files this application with the Oil Conservation Division (“Division”) for the limited purpose of amending Order No. R-23624 (the “Order”) to allow for an extension of time to commence drilling the wells authorized by the Order. As grounds for this application, Coterra states:

1. The Division issued Order R-23624 in Case No. 24722 on January 14, 2025.
2. The Order pooled all uncommitted interests in a 640-acre, more or less, Bone Spring horizontal spacing unit comprised of the N/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMPM, Lea County, New Mexico and approved a non-standard unit (the “Unit”).
3. The Order designated Avant Operating, LLC as the operator of the Unit and the wells to be drilled within the Unit.
4. Coterra is Avant Operating, LLC’s successor-in-interest under the Order. In January 2025, Coterra acquired Avant Operating, LLC and Avant Operating, LLC’s interests in the lands subject to the Order.
5. Paragraphs 28 and 29 of the Order require Coterra to commence drilling the initial well within one (1) year of the date of the Order unless Coterra obtains a time extension from the Division for good cause shown. Under the Order, the deadline to commence drilling the wells is January 14, 2026.

6. Good cause exists for the requested extension.
7. This is Coterra's first request for an extension of time for the Order.
8. Coterra requests an extension of time for one year from January 14, 2026 to January 14, 2027 to commence drilling the wells under the Order.

WHEREFORE, Coterra requests this application be set for hearing before an Examiner of the Oil Conservation Division on January 8, 2026, and after notice and hearing, the Division as required by law, the Division amend Order No. R-23624 as requested herein.

Respectfully submitted,

MODRALL, SPERLING, ROEHL, HARRIS  
& SISK, P.A.

Yamato and Judith Yamato, Trustees, of the Application of Coterra Energy Operating Co. to Amend Order No. R-23624, Lea County, New Mexico. The State of New Mexico through its Oil Conservation Division hereby gives notice that the Division will conduct a public hearing at 9:00 a.m. on January 8, 2026 to consider this application. The conference will be conducted in a hybrid fashion, both in-person at the Energy, Minerals, Natural Resources Department, Wendell Chino Building, Pecos Hall, 1220 South St. Francis Drive, 1st Floor, Santa Fe, NM 87505 and via virtual meeting platform. To participate in the electronic hearing, see the instructions posted on the docket for the hearing date: <https://www.emnrd.nm.gov/ocd/hearing-info/>. Coterra Energy Operating Co. seeks an order amending Order No. R-23624 to extend the deadline to commence drilling the wells under the Order. Order R-23624 pooled uncommitted interest owners in a non-standard 640 acre, more or less, Bone Spring horizontal spacing unit comprised of the N/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMMP, Lea County, New Mexico. Said area is located approximately 10 miles south of Maljamar, New Mexico. #00307168

**STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION**

**APPLICATION OF COTERRA ENERGY  
OPERATING CO. TO AMEND ORDER  
NO. R-23624, LEA COUNTY, NEW MEXICO.**

**CASE NO. 25826  
ORDER NO. R-23624**

**SELF-AFFIRMED STATEMENT OF KENT WEINKAUF**

Kent Weinkauf hereby states and declares as follows:

**BACKGROUND**

1. I am a Senior Reservoir Engineer for Coterra Energy Operating Co. ("Coterra) and have personal knowledge of the matters stated herein.

2. I have previously testified before the New Mexico Oil Conservation Division (the "Division") and my credentials as an expert in reservoir engineering have been accepted as a matter of record.

3. As a reservoir engineer, I evaluate the reservoir characteristics and analyze the recoverable hydrocarbons for areas of interest to Coterra. I am also involved in project management and modeling economics for Coterra's development plans.

4. My work for Coterra includes the area of Lea County in New Mexico.

5. I am familiar with the application Coterra filed in Case No. 25826 to re-open Order No. R-23624.

6. I am also familiar with Coterra's development plans and timing for the Lone Wolf wells, which are the subject of Order No. R-23624.

7. Coterra's Lone Wolf development is within the N/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMPM, Lea County, New Mexico. Coterra has an existing

development in the S/2 of Sections 35 and 36, Township 18 South, Range 32 East, NMPM, Lea County, New Mexico, which is Coterra's Alpha Wolf wells. The Alpha Wolf wells, like the Lone Wolf wells, target the First, Second, and Third Bone Spring.

8. In assessing the timing of development of Coterra's Lone Wolf wells, I reviewed the production from Coterra's Alpha Wolf development.

9. Based on my evaluation of the Alpha Wolf development, my recommendation is to commence drilling the Lone Wolf Second Bone Spring wells in the near term, *i.e.*, within one year of the extension request. My recommendation is also to monitor the Alpha Wolf First and Third Bone Spring wells to evaluate whether changes in frac design or other changes may be warranted for the Lone Wolf First and Third Bone Spring wells, *i.e.*, commence drilling the First and Third Bone Spring wells within two years of the extension date. The deadlines by which Coterra would commence drilling are outlined in Exhibit C.1.

10. In my opinion, this timing allows Coterra to develop the Second Bone Spring wells in the near term, while also giving Coterra the opportunity to further evaluate the First and Third Bone Spring wells to maximize recovery and reduce waste.

11. The exhibits to my self-affirmed statement were prepared by me, or compiled from company business records, or were prepared at my direction or supervision.

12. I attest under penalty of perjury the laws of the State of New Mexico that the information provided herein is correct and complete to the best of my knowledge and belief and I will adopt this testimony at the hearing in this matter.
