DIVISION CASE NO. 24123

**OIL CONSERVATION DIVISION'S MOTION TO VACATE AND CONTINUE THE
JUNE 11, 2026 STATUS CONFERENCE BEFORE THE OIL CONSERVATION
COMMISSION**

COMES NOW The New Mexico Oil Conservation Division ("OCD"), by and through its Counsel of Record Chis Moander, and hereby submits its Motion to Vacate and Continue the June 11, 2026 Status Conference Before the Oil Conservation Commissions. Current counsel for the OCD, Chris Moander, is changing roles within EMNRD as of the close of business on June 5, 2026 and will no longer be Counsel of Record for OCD in this matter. The remaining OCD attorneys are obligated to other pressing OCD matters and are therefore not available to cover the June 11, 2026 Status Conference. In sum, OCD lacks sufficient staffing to either appear or present at the June 11, 2026 such that, should the Status Conference be held, OCD will be severely prejudiced.

OCD understands the next available date for the Status Conference at issue is July 16, 2026, a previously scheduled meeting date for the OCC. OCD finds July 16, 2026 to be a suitable date for the Status Conference in these matters.

OCD respectfully seeks the relief of having the June 11, 2026 Status Conference setting vacated and continued until July 16, 2026.

OCD conferred with all Counsel for the respective parties in the above-captioned matters, who provided the following positions as to this Motion:

- Goodnight: Supports this Motion.
- Pilot: Does not oppose.
- Rice/Permian: Unopposed to this Motion.
- Empire: In an effort to accommodate the Oil Conservation Division, Empire does not oppose the continuance but will file a response to this motion.

Respectfully submitted,
