Case No. 26204

UNOPPOSED MOTION TO DISMISS

V-F Petroleum, Inc., (“V-F”) through its undersigned attorneys, moves the Oil Conservation Division (“OCD”) to dismiss Case No. 26204 without prejudice. The application in Case No. 26204 was filed as a precaution to get on the docket for a time extension should V-F’s administrative request for a time extension pursuant to Order No. R-23838-A not be approved by the deadline. However, the OCD issued an email on June 29, 2026, confirming that the time extension pursuant to Order No. R-23838-A has been granted based on the approval of the Order Compliance/Progress Report filed and performed in the original Case No. 25151. *See* OCD Email attached hereto as Exhibit 1. Therefore, because the administrative request for the time extension has been approved, Case No. 26204 can be dismissed as it is no longer needed for the time extension.

Respectfully Submitted,
