TRANSCRIPT OF HEARING

MR. PORTER: We will take up Case 2636. In the matter of the Oil Conservation Commission upon its own motion to change the time and place of certain hearings.

MR. DURRETT: May the Commission please, we would like to call Mr. Dan Nutter as a witness.

(Witness sworn.)

DAN NUTTER

called as a witness, having been first duly sworn, testified as follows:

DIRECT EXAMINATION

BY MR. DURRETT:

Q Will you please state your full name and position?

A Dan Nutter, Chief Engineer for the Oil Conservation Commission.

Q Mr. Nutter, are you familiar with the circumstances surrounding this Case No. 2636?

A Yes, sir, I am.

Q For what reason does the Commission desire to change these dates as stated on the docket?

A Referring first to the hearing for October 18, the New Mexico Oil and Gas Association will be having its meeting here in Santa Fe concluding on the 17th of October. There will be somewhat of a conflict inasmuch as the hearing in October will be out of town. For that reason it is recommended that the date of the hearing be changed to October 18 and that the place of the hearing be designated as 800 Municipal Drive in the Farmington City Hall, Farmington, New Mexico.

Q Do you have anything further you would like to add, Mr. Nutter?

A The former date of the hearing was October 17, 1962, and the place was advertised as this hall in Santa Fe.

MR. DURRETT: May the Commission please, that will conclude my direct examination of this witness.

A That's the first portion regarding October only.

Q (By Mr. Durrett) Excuse me, please continue then with December.

A Inasmuch as there would be a conflict with the meeting of the Inter-State Oil Compact Commission in December, which meeting is scheduled for December 10th, 11th and 12th, and with the hearing of the Oil Conservation Commission as advertised for December the 13th, it is recommended that the date of the hearing for December be changed to December 19 from the 13th. The place of the hearing has not been changed and would be at the State Land Office Building, Santa Fe, New Mexico, as previously advertised.

Q Do you have anything further, Mr. Nutter?

A No, sir.

MR. PORTER: Does anyone have a question concerning the hearing dates? Is there any objection to the changing of these dates? The witness may be excused.

(Witness excused.)

MR. PORTER: If there's nothing further to be offered

in Case 2636 the Commission will take it under advisement. In fact, the hearing dates will be changed to the dates which were recommended by Mr. Nutter. Bear in mind that the October hearing will be held in Farmington. The hearing will be held in the City Hall in Farmington, which is officially 800 Municipal Drive.
