**RE: Notification Regarding Owner Name Change (Class 1 Permit Modification)
RCRA Post-Closure Permit – EPA ID NM No. NM000333211**

Dear Mr. Pierard,

This letter is in connection to RCRA Post-Closure Permit – EPA ID NM No. NM000333211 for the Gallup Refinery (the “Permit”) that was issued by the New Mexico Environment Department to Western Refining Southwest, Inc. in October 2013 and modified in September 2017. I am writing to inform your office that Western Refining Southwest Inc. converted to an LLC on January 1, 2021 and became known as Western Refining Southwest LLC. This name change does not impact facility operations and qualifies as an administrative and informational change as listed in Appendix I to 40 CFR 270.42. Additionally, because the owner and operator of Gallup Refinery has not changed, the Permit’s provisions and RCRA regulations on changes of ownership do not apply; however, we are providing this letter pursuant to 40 CFR 270.42(a)(1) and will be submitting an official modification in accordance with the requirements of 20.4.1.901 NMAC and 40 CFR 270.42(a) as part of the 5 year review of the RCRA Permit.

Should you have any questions or need more information on the above-described name change, please do not hesitate to contact John Moore at 505-879-7643.

Sincerely,

Wester Refining Southwest LLC*Robert S. Hanks*
