Subject: 72- Hour Notice for 10% Filling Section with 1RF-11
Date: Wednesday, July 21, 2021 8:09:00 AM

Hello,

This email serves as a notification for the 72-hour notice for the refill to the Salado Draw Section 23 Recycling Containments Structure.

After filling to the allowed total fluid capacity we will pause operations to inspect and operate the leak detection system.

If there are no liquids presents in the leak detection system after 24 hours, we will proceed to fill the allowed volume.

Please reach out if there are any questions.

Thank you.
