RE: ENVIROTECH LANDFARM #4 C-137 APPLICATION SUBMITTAL TIME EXTENSION REQUEST

At this time Envirotech is requesting additional time to respond to the New Mexico Oil Conservation (NMOCD) letter dated April 8th, 2022. Envirotech was unable to meet the required timeline due to difficulties surrounding work constraints and workforce turnover.

Envirotech is requesting an additional 60-day Extension to properly address the items listed in the April 2022 letter from the NMOCD. Envirotech is requesting the due date of December 7th by close of business to return the comments to the NMOCD.

We appreciate the opportunity to be of service. If you have any questions or require additional information, please contact our office at (505) 632-0615.

Respectfully Submitted,
