Re: 1657.22 Basin Disposal Inc.  
Permit NM1-005  
SWMF Renewal Application

Dear Mr. Jones:

Parkhill, on behalf of Basin Disposal, Inc. (BDI), continues to complete the revised permit renewal application for Permit NM1-005. BDI previously was approved for a sixty (60) day extension of time (until November 8, 2022) to submit this renewal application.

BDI is hereby requesting a thirty (30) day extension of time to submit the revised permit renewal application for review by OCD. We are seeking this additional time in order to thoughtfully and effectively address all of the informal feedback provided by the department.

This request, if approved, would extend the due date for submittal of the revised application to December 8, 2022. The departments' consideration of this request is appreciated by BDI.

Sincerely,

PARKHILL
