Steve received, and acknowledged, the form you provided me with last week. I wasn't sure if you needed to save our correspondence as part of the filing materials.

Mr. McCutcheon,

As part of the NMOCD recycle permit submission process, we are to provide the attached C-147 Form to the landowner. I don't think this has been provided to you yet and nothing is required of you for this form. It is my understanding that this is a formality required of us. Please reach out with any questions, and have a great week.
