**RE: Request for Closure of Saunders Landfarm, LLC – Permit Number NM1-38**

Dear Mr. Burnett:

On February 15, 2024, you contacted the New Mexico Oil Conservation Division (OCD) requesting information on how to properly close-out Saunders Landfarm, LLC, Permit Number NM1-38. According to our records, the OCD sent a Request for Closure in the form of a letter that was sent by certified mail to a facility representative on June 30, 2023. This letter addressed the closure requirements for the surface waste management facility. For your convenience I have attached a copy of this letter; please reference this letter to close-out the facility.

As noted in the attached letter, Saunders Landfarm, LLC must first register as a facility operator with the OCD at the following hyperlink:

<https://wwwapps.emnrd.nm.gov/OCD/OCDPermitting/default.aspx>, obtain an OGRID number account, and set-up an account password in order to submit the required closure and post-closure plan through OCD's Permitting Portal. The closure and post-closure plan must be submitted to the OCD, within **60 days** of certified mail receipt of this letter, through OCD's Permitting portal as a "[C-137] Non-Fee SWMF Submittal" for OCD's review and consideration of approval. If there are any questions regarding this matter, please do not hesitate to contact me at (505) 549-5583 or [Joseph.Kennedy@emnrd.nm.gov](mailto:Joseph.Kennedy@emnrd.nm.gov).

Thank you,
