Re: EOG Resources Inc. Response to Information Request

Dear Mr. Smith,

We are writing to bring your attention to a small issue we've noticed. MR NM (OGRID 330506) acquired several wells and facilities from EOG Resources, Inc. (OGRID 7377) effective June 1, 2021. A copy of the executed Assignment, Assumption, and Bill of Sale is attached for your reference. While the wells show to be transferred in the system, the facilities are still listed under EOG as the operator.

Could you please update the operator assigned to the following facilities to reflect the transfer to MR NM (330506):

Facility Number	Battery Name	Surface Location	Lat/Long (NAD 83)
fAPP2212637020	JACKSON B 5 CTB	P,01, T17S,R30E	32.859105, -103.919667
fAPP2212932543	GISSLER 3-2 CTB	C,12, T17S, R30E	32.8544388, -103.927681
fAB1905229972 fAPP2212637444	GISSLER 3-1 CTB	B,11, T17S, R30E	32.85396, -103.93981
fAPP2212637914	ENTERPRISE	E,12, T17S,R 30E	32.850571, -103.932124

Thank you for your help with this. Please let us know once the update is complete, or if you need any further information from our end.

The signature below indicates agreement from both companies regarding this transfer.

Thank you for your assistance with this matter.

X 

Kyle A. Walker
Vice President & General Manager
EOG Resources, Inc. (7377)
