Dear Ms. Barr:

Souder, Miller & Associates (SMA) is pleased to submit the enclosed Public Notice Documentation for the Moonshine Energy, LLC Big Still Surface Waste Management Facility Application (Draft Permit No. NM1-69). The public notice was published in the Hobbs News-Sun on June 3, 2025. Certified and First-class mailings to nearby property owners were sent out from June 2 to June 3, 2025, and email notifications to parties of concern were completed on May 30, 2025. SMA followed up with additional certified mailings to three parties from whom no receipt was initially provided on July 21, 2025.

As of submittal of this documentation, SMA has not received a certified mailing receipt from one of the ten property owners near the proposed facility. Cerberus Cattle Company has not provided a receipt for two certified mailings sent in early June and on July 21st. SMA was able to obtain an email address for the company and provided a copy of the public notice via email on August 15, 2025 (included as an attachment)

Attached is a copy of the newspaper publication affidavit, the mailing list, certified mail receipts for property owners, and email correspondence.

If you have any questions or comments, please feel free to contact me at 505.595.7762 or [matthew.earthman@soudermiller.com](mailto:matthew.earthman@soudermiller.com).

The State of New Mexico Oil Conservation Division (OCD) has completed its review of the Moonshine Energy, LLC (Applicant) Surface Waste Management Facility Application submitted on January 9, 2025, and has tentatively decided on approval of the permit with conditions. Pursuant to 19.15.36.9(C) New Mexico Administrative Code (NMAC), Moonshine Energy, LLC is providing public notification of the proposed decision along with information on the Facility.
