Hey Cory, here are a few pics to update you on the Mesa 2H. Let me know if these are sufficient enough to close out the Mesa 2H from the system.

I hope you have a great day!

Vanessa,

That works, Pictures of Before/during/After are also helpful.

Thanks,

Spoke to our field guy and he said that we have tanks on site that are waiting to be sold and are also tearing down some walls. Do you want me to wait to take the pictures until everything is completely gone?

Vanessa,

Yes a couple of pictures preferable with Lat/Longs so I can confirm it's the same place.

There are lots of tanks on this site.

Vanessa,

Do you have any pictures of the facility site now that all the equipment has been removed so I can verify its closure?
