**CASE NO. 25164  
ORDER NO. R-23839-A**

**NUNC PRO TUNC ORDER**

The Director of the New Mexico Oil Conservation Division (“OCD”), having determined that an error occurred in Order R-23839 in this matter, which requires correction, issues the following *Nunc Pro Tunc* Order.

**FINDINGS OF FACT**

1. Order R-23839, issued June 18, 2025, (“Order”) contains an error in its Exhibit A for the Production Supervision per Month costs under the AFE Capex and Operating Costs section.
2. The Production Supervision per Month costs are identified as being \$100 per month. The correct value requested by COG Operating, LLC and that OCD intended to grant is \$1,000 per month.

**ORDER**

3. The Production Supervision per Month under the AFE Capex and Operating Costs section in Exhibit A of Order R-23839 is corrected to read as follows:

“Production Supervision/Month \$            |            \$1,000”

4. The corrections are effective *nunc pro tunc* as of the date of the Order.
5. All other provisions of the Order remain in full force and effect.
