BEFORE THE OIL CONSERVATION COMMISSION  
OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE HEARING  
CALLED BY THE OIL CONSERVATION  
COMMISSION OF NEW MEXICO FOR  
THE PURPOSE OF CONSIDERING:

CASE No. 3548  
Order No. R-3215

APPLICATION OF SINCLAIR OIL & GAS  
COMPANY FOR AN UNORTHODOX LOCATION,  
EDDY COUNTY, NEW MEXICO.

ORDER OF THE COMMISSION

BY THE COMMISSION:

This cause came on for hearing at 9 a.m. on April 5, 1967, at Santa Fe, New Mexico, before Examiner Daniel S. Nutter.

NOW, on this 11th day of April, 1967, the Commission, a quorum being present, having considered the testimony, the record, and the recommendations of the Examiner, and being fully advised in the premises,

FINDS:

(1) That due public notice having been given as required by law, the Commission has jurisdiction of this cause and the subject matter thereof.

(2) That the applicant, Sinclair Oil & Gas Company, seeks approval of the unorthodox location in an undesignated Morrow (Pennsylvanian) gas pool of its Trigg-Federal Well No. 1 at a point 1980 feet from the North line and 660 feet from the West line of Section 27, Township 18 South, Range 27 East, NMPM, Eddy County, New Mexico, to be dedicated to a 320-acre unit comprising the N/2 of said Section 27.

(3) That the subject well was drilled as a wildcat oil well at a standard location to test the Cisco-Canyon formation but was non-productive in the Cisco-Canyon formation and was subsequently completed in the Morrow formation.

(4) That approval of the subject application will prevent waste and will not violate correlative rights.
