ORDER OF THE COMMISSION

BY THE COMMISSION:

This cause came on for hearing at 9 o'clock a.m. on  
June 20, 1956, at Hobbs, New Mexico, before Daniel S. Nutter,  
Examiner duly appointed by the Oil Conservation Commission of New  
Mexico, in accordance with Rule 1214 of the Rules and Regulations  
of the New Mexico Oil Conservation Commission.

NOW, on this 9<sup>th</sup> day of July 1956, the Oil Conservation  
Commission of New Mexico, hereinafter referred to as the "Commission",  
a quorum being present, having considered said application and the  
recommendations of the Examiner, Daniel S. Nutter, and being fully  
advised in the premises,

FINDS:

(1) That due public notice having been given as  
required by law, the Commission has jurisdiction of this cause and  
the subject matter thereof.

(2) That the location of the producing wells on  
applicant's B. H. Turner Lease, Tracts 1 and 2, Hobbs Pool, is  
within a residential area of the City of Hobbs, New Mexico.

Order No. R-839

(3) That it is no longer in the interests of safety to continue producing wells into the established tank batteries near the same production and located on the same lease as the wells.

(4) That the batteries applied for in the application will be located at a central tank battery site outside the city limits of Hobbs, New Mexico, and will be farther from a residential area.

(5) That the interest of safety will be served by the granting of this application.

(6) That adequate equipment will be installed to permit the accurate measurement of the production from each well and the compliance with all other applicable rules and regulations of the Commission.

(7) That there will be no commingling of oil from other leases or pools in the proposed tank batteries.

(8) That there will be no more than 8 wells produced into any one of the aforesaid three batteries.

(9) That there were no objections entered as to the granting of this application.

IT IS THEREFORE ORDERED:

That the application of Stanolind Oil and Gas Company for an order approving the establishment of three tank batteries to be located at a central tank battery site on applicant's State "A" Tract 7 Lease in Section 10, Township 19 South, Range 38 East, NMPM, said batteries to receive production transported from wells located on applicant's B. H.
