Dear Melanie Collins,

Regarding application ID 132690, Incident # NAPP2205638843 POKER LAKE UNIT 15 TWIN WELLS RANCH TANK BATTERY

Please note the changes to the conditions and points of deferral. My apologies for the mistake.

XTO's deferral requests to complete final remediation during any future major construction/alteration or final plugging and abandonment, whichever occurs first. XTO does not believe deferment will result in imminent risk to human health, the environment, or groundwater. The areas requested for deferral are identified on the site map as "PH01" and "PH02". The areas have been delineated and documented in the report. Currently, OCD approves this request. The Deferral Request and C-141 will be accepted for record and marked accordingly. The release will remain open in OCD database files and reflect an open environmental issue. (This is a federal site and will require like approval from BLM.)

This email will be uploaded in the incident file for further reference.

Please let me know if you have any further questions.

Regards,  
Jocelyn Harimon
