**Re: Ongoing Corrective Actions/Remediations  
ConocoPhillips Agreed Compliance Order-Releases.**

Dear Mr. Billings:

Please find attached a list of open remediation sites (according to NMOCD records) that were sold by ConocoPhillips (COP). Since these sites are no longer under COP control it is not possible to conduct inspection nor remediation activities at them. The sites were initially included on the ACO records, but after further research we identified them as sites transferred to other operators.

Please contact me if you require any additional information or if you have any questions or comments.

Sincerely,

A handwritten signature in black ink, appearing to read "Gustavo", written over a horizontal line.

Gustavo Fejervary
