RE: Pardue "C" 8808 JVP Well #1, API No. 30-015-26341 in Eddy County, New Mexico
R-13218/Case # 14413/And 2RP-155.

Mr. Grimes,

The Oil Conservation Division (OCD) of the Energy, Minerals and Natural Resources Department has reviewed all technical data/information relative to your request. This review indicates that you have met the requirements of 19.15.29 and 19.15.30 NMAC and as of this time No Further Action is required by OCD. You are hereby notified that 2RP-155 is closed.

This determination by the OCD does not relieve BTA of responsibility should future information indicate a threat to ground water, surface water, human health, or the environment. Furthermore, it does not relieve BTA of responsibility for compliance with any federal, state, or local laws and/or regulations.

Please properly plug the remaining monitoring wells per requirements of the New Mexico Office of the State Engineer. Thank you

Sincerely,

Bradford Billings
