17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Gentlemen:

Due to unavoidable delays caused by the time needed to obtain necessary County development permits, and the time needed to advertise (one full month), our intent to draw water and divert water for drilling purposes as required by the State Engineers office, combined with the unavailability of drilling contractors because of the time delays, we are herein requesting a 90-day extension for this well.
