JProuty	Jane Prouty from the OCD is certifying this permit from the Sundown side because Amtex requested that the OCD approve it since they have the lease. Amtex had difficulty in obtaining concurrence from Sundown. David Brooks at the OCD verified that Amtex has the lease and wrote Sundown advising that the transfer would take effect after a certain date if no response was received. No response was received, and Steve King of Sundown advised Jane Prouty on 6/1/2009 that it was all right to transfer this well.	6/1/2009
