DPHILLIPS	I cannot approve the transfer as two wells require additional bonding. Please go to our web site and click on OCD Online and then on EPERMITTING. Sign in and go to OTHER then click on Change of operator. NOT new change as you have already created the permit. You will see an edit button next to your permit. Click on it and go to VIEW FORM button Click on VIEW wells affected by change. This brings up the list of wells you have selected for transfer and shows you the amounts of the two wells requiring the additional bonding. Questions? Call me at 505-476-3461.	12/16/2009
