Subject: Plan for Remedial Work on the Mitchell 092F - API #: 30-021-20494
Attachments: WBD Mitchell 092F.pdf

Good afternoon,

I am new to the regulatory role here at Hess Corporation and I'm not familiar with New Mexico's forms but am trying to learn.

We are planning on performing some remedial work on the Mitchell 092F – API#: 30-021-20494.

Our estimated start date of this work will be: October 20th, 2015

See attached Form C-103.

Please let me know if you need anything else. Also, if you prefer I mail this in the mail, I can, just let me know.

Once the work is completed, we will send a form showing the completed date and what was done.

Thank you in advance for your guidance on this.

Sincerely,

April Marquez
