RE: Plugged & Abandoned Well

Dear Mr. Gurule:

I have received your request to remove the electric service to the Jackson Estate BY #5 well. Our records indicate there is overhead service to a meter pole. The responsibility to remove the meter loop belongs to EOG Resources, Inc., all other electrical assets (poles, service conductor, transformer, etc.) belong to Central Valley Electric Cooperative, Inc. and will be retired as soon as crews become available.

Sincerely,

Wade Nelson
Manager of Distribution Engineering
